What to do in the event of a forest fire

Stay calm

One leader

- gathers all participants
- holds a head count to ensure all children / leaders are present

Second leader

- Phones 112 (Dutch emergency number). Tell the operator:
 - Your name;
 - Location: Scouting camp terrain St. Walrick, and where the nearest entrance is:
 - **Main terrain, entrance to car park and sports field:** sand path and cycle path opposite hessenbergseweg number 5 , postal code 6611 KC;
 - **Entrance to the hut:** St. Walrickweg 11, postal code 6611KG;
 - **Entrance to Heurkensveld / Wycherinckveld:** Hessenbergseweg between number 3 and 5, postal code 6611KC;
 - **Tommesbos:** Loksheuvelseweg next to number 5, postal code 6611 KD;
 - The nature of the incident;
 - How serious the incident is;
 - Number of victims, if any and nature of injuries;
 - Your cell phone number.
- **Phone the camp staff: (+31)24 - 622 1557 and / or (+31)6 – 437 762 51**
keep the call short and concise

Station a staff member at the entrance from the road to guide emergency services.

Evacuate the area and go to a safe area.

Designated safe areas:

- **Main**
The public highway
 - stay in the verge not on the road! Be aware of any on-coming traffic
- **Main terrain**
The block hut in front of the fen
- **Heurkensveld / Wycherinckveld**
Camp fire site / sport field
- **Tommesbos**
Camp fire site in the middle of the terrain

Once safe:

- Carry out another head count
- Designate buddy's or allocate each leader a small group of children
- Contact camp staff Inform them of the number of participants and your location
